Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Thursday 25 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Largely dry with sunny spells, but cold.

Today:
Cloud and light rain in the southeast soon clearing. Otherwise, a bright start with plenty of sunshine, but chilly. Some patchy cloud developing in the afternoon, but remaining largely dry. Maximum temperature 7 deg C (45 deg F).

Tonight:
Dry this evening and tonight with largely clear skies and light winds, making for a cold and frosty night. Cloud spreading into the northwest of the region towards dawn. Minimum temperature -3 deg C (27 deg F).

Friday:
A mostly cloudy day with outbreaks of showery rain, heavy at times, although some brighter spells are possible in the afternoon. Brisk winds will ease later in the day. Maximum temperature 8 deg C (46 deg F).

Outlook for Saturday to Monday:
Very windy and cold Saturday with rain clearing southwards through the morning. Generally fine and dry Sunday and Monday with light winds, but cold. Cloud and rain later on Monday.
